LAKE ROTOITI SCHOOL NEWS

The term is racing by and we seem to hardly have time to draw breath! We are having a fantastic ski season at Rainbow and, due to amazing luck with the weather and fantastic instruction, all our children are making great progress with their skiing and in being confident on the mountain. We're all hoping that the snow holds out until the end of term so that we can make the best of what Rainbow has to offer. All being well, we'll be sending three teams to the Inter-Primary Ski Races next Wednesday.

On Friday the school travelled once again to Wairau Valley School who hosted an Olympics Event. Children were put into six, cross-school teams of mixed ages and were challenged to take part in a number of activities. The children (and parents) had a great time – huge thanks to the staff of Wairau Valley School for organising and hosting this event.

- Commercial Refrigeration
- Sheetmetal Fabrication
- HVAC – Heating, Ventilation, & Air Conditioning
- Heat Pump Specialists

In the last newsletter we reported that former Rotoiti student, Megan Younger, had won the New Zealand Choral Federation 2016 award for composition. At the end of August, Megan went to Dunedin with her choir, Stella Nova, to the Big Sing finals to perform her piece and receive her prize. The performance is available to view on YouTube -

<https://www.youtube.com/watch?v=CQD4HUTfgA0> (or search on YouTube for 'The Big Sing, Dover Beach').
