Thanks to the efforts of Mr Allen, Mrs Hart, The Kids of the School, Simon and Barry Thomas, Paul Hart and Members of the Variety Club, four Optimists have been completely brightly repainting and assembled ready for sailing.

Unfortunately, the Weather has not been the best and with Xmas now upon us, we have decided not to start until Thursday the 28th of Jan 6pm. As usual everybody is welcome. Bring something for the BBQ and something to drink.

Also, a big thanks for the financial assistance from Rural Woman, Lake Station, Ken Robertson Architect, & Bruce Batty for making this possible and a shout out to the Nichols family for providing shelter for our boats and equipment.

Have a safe and happy Xmas and we look forward to seeing you down at the lake on the 28th.

Hi folks,

It's that time of the year again. The navigation buoys are back in the lake and the caravan will be soon back on the foreshore ready to hire out kayaks.

Our ferry runs start on 8th December. There is no minimum numbers on the ferry runs so is a cost effective option for accessing the Travers Valley for singles or couples.

The New Zealand market can be quite cost conscious and some of our kiwi customers can push as hard as they can for more. So, I am hoping that this summer's ferry runs will be full with lots of happy passengers.

Take care and have a great summer!
Hamish

Kia Ora Nelson Lakes community members,

Closed borders to international tourists means that I have been home and will be home here in the Nelson Lakes for quite a while. So I have decided to put my commercial driving license, vehicle and guiding experience to use and offer trips and transfers around the Nelson Lakes and the Top of the South. In short it means I am able to take people to & from Mt Robert Carpark and other tracks. I have a DoC concession. I will also pick up and drop off at airports as well as do (day) trips around the regions for wine and artisan tours.

If anyone else in St Arnaud has a P class license and would like some casual work I would love to hear from you. I am hoping for a busy summer and that the service will help out our lovely visitors to the Nelson Lakes National Park and of course locals. Lets make it viable for the future. Your help would be much appreciated!

More info on the spick spanking new website!

Cheers,
Jennifer
