Lake Rotoiti School News

Happenings at our kura (school)

Tēnā koutou katoa,

The quiz night was a raging success. I would like to thank everyone who attended and especially Janine Basalaj for approaching people for prizes. I would also like to acknowledge the staff at the Alpine Lodge for being amazing hosts. You were running most of the night looking after everyone.

Also thanks to the individuals and companies that donated prizes: Marine and General Engineers, Fiona Ferens, Nelrig, Michaela Ferens, Inner Beauty, Hilltop Nursery, Anything Mechanical, Ashton Thompson. We were so busy that we forgot to take photos! Suffice to say, some teams are probably grateful that we didn't.

The night raised \$1285 which will go to subsidising the school ski trips to Rainbow. Our first day will be 30 July. The children are looking forward to it with excitement.

This term we have been studying Our Solar System and Earth systems (if you hadn't noticed at the Quiz night). Next term will be a focus on SunSafe prior to skiing, and then we will be studying the various cultures that make up New Zealand and their impact on our present society.

Mike.

The sun shone and the breeze breezed coolly on 21 June. About 20 hardy souls, half of whom were naked, plunged into the lake. Thanks everyone for a great atmosphere and for the local support!
