Lake Rotoiti School News

Frith Dollimore has successfully applied to One Billion Trees so that we can fully plant the area between the pool and the Motels. Yvonne and Richard have donated some money to add to our small forest and Brian Erasmus has provided us with a planting plan using low ignition vegetation. Brent has done a great job of rabbit fencing the area, so with planting protection and a lot faith we'll get this planted and growing.

On Tuesday 11 May at 2pm we are going to plant 350 trees in this area, and we would like as many people as possible to bring a spade and help. If you have an hour, please join us to create a small heritage area.

Construction update

Building work continues on the PE/Caretakers shed. Our hope was to have this completed by the end of the term so we can move our new PE gear. It has not eventuated. This has slowed down all of the other projects. Hopefully we will have completion by the end of the first week of school.

Pool

If you have a pool fob, could you please return it to the office by mail or by dropping it in. Dominique is in the office Monday, Wednesday and Friday mornings.

Vacancy: Treasurer for the Lake Rotoiti Community Hall Committee

We meet bi-monthly and are all volunteers looking after our wonderful community asset.

The task is not too onerous with only a few transactions, but attention to detail and an eye for figures would be beneficial.

This position would suit somebody with experience of accounts, balance sheets, GST etc. The Hall almost runs itself, but not quite.

Huge rewards for the right person!

WANTED

Beds

single, double or larger

For ski-field workers this winter, so reasonable condition but don't have to be perfect.

Please text or call Richard on 021-1591590

As part of the Billion Trees Project, Lake Rotoiti School will be receiving 350 trees to plant at school, mostly in the corner by the swimming pool. We will be planting these on Tuesday (11 May) afternoon at 2pm and would like to invite the community to come along and help us if they wish to.

Please bring your own shovel and gloves if you can.

A sausage sizzle will be provided to help keep our energy up.

Hope to see you then!
