Mornings:

Please make sure you text or message the bus phone the night before or prior to 7:20am on the morning if your child is not going to be on the bus on that particular day. It is important you do it for every day they are not on. Please also ring the school if your child will be absent for the day.

Afternoons:

If your child is not going home on the bus please ensure they know to let the Bus Controller (Alison) know in the morning or text/message the bus phone before 3pm.

Friends:

If your child is taking a friend home on the bus please text or message the bus phone to let the drivers know. The friend's parent also needs to let school know if their child will be going home on the bus.

A designated bus phone will be kept in each bus which the drivers will check prior to each run. If you need to get in contact with the drivers please either text or use Facebook messenger. Note: voicemail messages will not be checked.
